We are working with the VA to try to propose UND faculty for VA research efforts. Some of our medical students participate in the "military match" for residency in the military, and D Lutz has become the local expert and counselor on this somewhat challenging program. 2. Describe how your efforts are being assessed. We would like to have faculty have VA funding. This has not been successful to date. We really do not have an effective metric for this goal as it does not really apply well to our program. 3. Describe how your unit analyzed these data and what assessments were determined. N/A 1. Describe how your unit will implement any further changes and what barriers may exist. We will continue annually to propose faculty for involvement in VA research programs and funding.	. Describe	e if/how your unit has addressed this goal.
