LEARNING

UND SMHS Strategic Plan Goal 8: *The SMHS will enhance its purposes of education, service, and discovery by focusing additional efforts toward achieving the broad goals stated in the School's Healthcare Workforce Initiative.*

1. Describe if/how your unit has addressed this goal.

Our unit has addressed this goal.

2. Describe how your efforts are being assessed.

Survey of healthcare organizations on the impact of our residents providing telepsychiatry and outreach services as part of their training. 8 of 10 clinics responded.

3. Describe how your unit analyzed these data and what assessments were determined.

Likert scale analysis to the following questions:

1) To what extent do you agree with this statement: Having a psychiatry resident working with our clinic has had a positive impact on patient access to care. Strongly agree=4, Agree=2, Partly agree=2

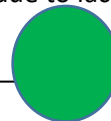

2) To what extent do you agree with this statement: I believe the resident telemedicine program could assist recruitment of psychiatrists to the region in the future. Strongly agree=3, Agree=2, Partly agree=3

3) To what extent do you agree with this statement: I am satisfied having a psychiatry resident participating in patient care at our clinic? Strongly agree=5, Agree=3

4. Describe how your unit will implement any further changes and what barriers may exist.

Review the recruitment success of residents to the above clinics

Barriers could include reduced staff-resident interaction due to lack of travel due to COVID-19
