Site Eligibility:

Key Factors in becoming an approved NHSC scholarship and/or loan repayment site include:

- Determining if your site is a Federally Designated Health Professional Shortage Area (HPSA) for mental health, primary care and/or oral health. Contact your State PCO or this website: [http://hpsafind.hrsa.gov/](http://hpsafind.hrsa.gov/) to determine your HPSA status.
- Check eligibility requirements on the NHSC website (nhsc.hrsa.gov); site must be located in a HPSA
- Provide primary care, dental or mental and behavioral health care services
- Provides access to ancillary, inpatient, and specialty referral services
- Accepts patients covered by Medicare, Medicaid, and Children's Health Insurance Program (CHIP).
- Does not discriminate in the provision of services
- Has a credentialing process when hiring staff
- Provides competitive salaries
