February 17, 2017

Dear NDUS (Minot State University and Valley City State University) WCAMLS Student:

UND, Minot State and Valley City State are all part of the North Dakota University System (NDUS). Because a NDUS student can’t be registered at two NDUS institutions during the same semester you as a Western College Alliance MLS (WCAMLS) NDUS student will:

- Register at UND ONLY (for summer and fall 2017 and summer 2018) using the WCAMLS class numbers listed below.
- Have Financial Aid through UND only.
- Pay your tuition to UND only
- NOT register at your home college.
- At the end of the summer 2018 UND semester, complete a UND Office of the Registrar form. This will transfer your UND grades to your home college. You will receive your degree from your home college and a certificate from UND.

Admission to UND: You will need to apply for admission to UND if you were registered in a UND course as a collaborative student or have never registered at UND. Apply as a transfer student and select “earn a certificate” and “MLS” as your major/program/plan. http://und.edu/admissions/undergraduate/apply/transfer-students.cfm

Readmission to UND: If you were registered in a UND MLS course previously, but not in spring semester 2017, you will need to process a re-admit form. Answer #9 on the form by listing “Certificate, MLS”. http://und.edu/academics/registrar/_files/docs/forms/readmission-request.pdf.

When you are admitted use the class numbers listed below to register for each course (13 credits total). Go directly to your enroll on campus connection and put the class numbers in. Do not search for them because they are hidden. Please be registered by May 1.

### UND Summer Semester (Term 1540)

<table>

</table>

If you wish to register for fall semester at the same time you are registering for summer now use class number 5517 for MLS 430 (12 credits).

### MLS 325L HEMATOLOGY:

Register for this course only if you receive notification from Professor Brooke Solberg, Instructor for MLS 325L. She will be notifying all students required to register for this class. The notification will include additional information (dates, time, room, etc). If you receive information from this instructor it will serve as an indication that you are required to register for MLS 325L Hematology Laboratory.
