Providing physical therapy at St. Luke Community Healthcare

Are you a new grad looking for a great place to start your career, with an environment that allows for growth and advancement? Are you an experienced Physical Therapist looking to develop your skills and further your career? If so, St. Luke Community Healthcare has an incredible opportunity to start or further your career. We have an opening for a full time Physical Therapist who desires to be part of a team that is committed to giving the absolute best care.

We are looking for a caring, energetic, positive, friendly, enthusiastic applicant who loves to help people and is passionate about the field of physical therapy. The candidate must have excellent communication skills, have a strong desire to grow as a physical therapist, and the ability to work well with a close knit team. In addition, the candidate must have strong manual therapy skills, the ability to provide postural, functional, and sport specific retraining, and create specific therapeutic exercise programs. The candidate must also be currently licensed in Montana.

The added bonus is living in the scenic Mission Valley just 15 miles from Flathead Lake in the shadow of the majestic Mission Mountains. Fishing, golf, hiking in addition to winter activities such as cross-country and down-hill skiing make this region of Montana an outdoor enthusiasts’s paradise.

Applications are available on our website www.stlukehealthcare.org. Completed applications and cover letters can be sent to: St. Luke Community Healthcare, Attn: HR, 107 6th Ave. SW, Ronan, MT, 59864
