Preview system
If your specialty has not started using the Resident Case Log System and you wish to preview the System you can contact the ACGME Support Center at 312.755.7464 or e-mail oplog@acgme.org and indicate your specialty. If your program is interested in using the System, please contact your RRC executive director to inquire if it is something the RRC is considering.

CHANGING YOUR PASSWORD

A user may change their password at any time. To change your password you must login to the system as explained above, however, you need to click on the ‘Change Password’ check box prior to pressing the Login button. A new window will open for you to enter and confirm your new password. Figure 4 shows the Change Password Screen, which allows the user to change their password.

Figure 4: Change Password Screen

Enter required data and press the Save button. If you decide you don't want to change the password press the Cancel button. You will remain logged on to the system. You must provide information for all of the fields. We recommend that all passwords be at least 5 characters and a maximum of 15 in length and contain at least 1 numeric. Please use only alphanumeric (A-Z, 0-9) characters for your passwords. Stay away from any special characters including <>,../“{}][_.+=. The password field is NOT case sensitive.

If you are a program director and you forgot your userid or password you must contact the ACGME Support Center to obtain a new one. If a resident forgets his/her password the Program Director/Administrator must assign a new one. (See Instructions for Program Setup, User Update section of the user manual).
